Devoted Health Receives License from State of Florida

New Healthcare Company to Offer Medicare Advantage Plans in 2019

WALTHAM, Ma. [August 7, 2018] — [Devoted Health](#) announced today that it's now licensed to offer Medicare Advantage Plans in the state of Florida. The healthcare company is approved to offer plans in eight counties across the state — Broward, Hillsborough, Miami-Dade, Osceola, Palm Beach, Pinellas, Polk, and Seminole. Starting in January 2019, Devoted will partner with some of the most trusted doctors and hospitals in Central and South Florida to serve Medicare members in those areas.

Devoted Health is on a mission to make healthcare more affordable, caring, and attentive. Leading the company's Florida launch is health insurance industry veteran Dariel Quintana. As the company's Florida market president, he is building a network of hand-picked doctors and providers who share a common goal — to create a more seamless, personal healthcare experience.

“After working in Florida's healthcare industry for more than two decades, I understand the market and its residents deeply,” said Quintana. “Devoted Health is only focused on a high quality delivery of Medicare Advantage plans for our members in Florida. We stand out from other networks because we are putting the focus back on the patient by serving members through our robust network of providers and the use of world-class technology.”

The company was founded by Ed Park and Todd Park. The two brothers also built Athenahealth, a leading provider of cloud-based software and services for doctors and other healthcare professionals. With Devoted Health, they are now committed to providing simpler, more effective healthcare for people on Medicare.
